On 7 July, Econchief delivered Ref A demarche to MFA International Organizations Department Director Ambassador Mohammed Jassim Samhan Al-Nuaimi. Al-Nuaimi stated that the UAEG shares the USG's opposition to human cloning and supports the Costa Rican draft resolution. He indicated, however, that the UAEG would not co-sponsor the resolution. Al-Nuaimi further noted that he had reviewed the USG priorities at UNGA (see Ref B), and agrees generally in principle with all.
